

Vouchers are substitutes for cash.

Education vouchers are certificates that the state would distribute to parents enabling them to buy an education for their children.

Parents would be free to spend these vouchers at the school of their choice, public **or private**.

Schools would redeem these vouchers for cash from the state treasury.

Taxes collected for education would go to schools chosen by **parents** rather than schools chosen by the government.

The cash value of the voucher would be equal to:

A percentage of the

## **The effect of this new system of PARENTS CHOICE IN EDUCATION—**

**THE EDUCARD:** Improvement in educational quality, performance, discipline. By private enterprise, competition, accountability. Excellence. Utilization of the many fine, private schools which offer superior education.

The poor, as well as the middle class and the wealthy, could enjoy high quality schools.

Just as we buy the cars, food and other consumer goods which we choose, families should be free to choose the best education for their own children.

**NOT BY COURT ORDERED BUSING**....but by free, informed choice. With liberty and justice for all.

**LET THE DOLLAR FOLLOW THE SCHOLAR**....

**NOT FOR THE SCHOLAR TO FOLLOW THE DOLLAR.**

**SAVE BILLIONS IN TAX MONEY!**

More and better education for your taxes instead of: More and more taxes for Education.

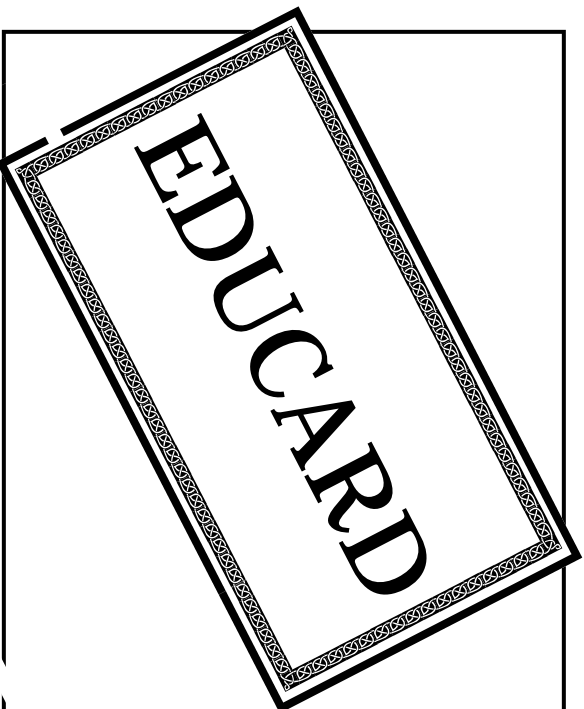

**ADD THE NEW DIMENSION OF FREEDOM TO OUR AMERICAN WAY: FREEDOM OF CHOICE IN EDUCATION.**

BETTER EDUCATION  
FOR ALL SCHOOL CHILDREN.

A

**PARENTS CHOICE  
PLAN**

# FREEDOM OF CHOICE IN EDUCATION

## A SYSTEM TO GIVE LEGAL RECOGNITION

to the Primary Right of Parents to direct and control the education of their own children.

- Limit the present State monopoly in education.
- Give financial power to parents to choose the school that is in harmony with their cultural values and heritage.
- Education is the Function of the Family, **NOT** of the government or the State.

## WHAT IS THE EDUCARD?

**THE EDUCARD SYSTEM** is like a credit card issued by the Treasurer of the State for each school-age child to the parents.

A special Education Fund would be set up, administered by the State Treasurer and funded out of General Revenue for this purpose.

**AN EDUCARD WOULD BE WORTH THE AMOUNT OF THE AVERAGE EXPENDITURE PER CHILD BY THE PUBLIC SCHOOL DISTRICT IN WHICH THE CHILD RESIDES.**

**PARENTS WOULD BE FREE TO CHOOSE EITHER PUBLIC OR PRIVATE SCHOOLS FOR THEIR SCHOOL AGE CHILDREN.**

The EDUCARD would be redeemable for the tuition designated by the Treasurer of the State giving equal amounts to both public and private school choices.
